D2

The diagram consists of two rectangular boxes arranged vertically, connected by a horizontal dashed line. The top box has a vertical dashed line on its left side, creating a narrow column. This column contains the text "Milieu / Sens du fil" written vertically. The bottom box also has a vertical dashed line on its left side, creating a similar narrow column. This column contains the text "Pluie" written horizontally. A label "D3" is located at the bottom left corner of the entire diagram.

The diagram shows a cross-section of a building facade. On the left, there is a vertical wall. To the right of the wall is a large rectangular window. Below the window is a door. The door is labeled 'D3' on the left side. Above the door, there is a horizontal line with the word 'Pluie' (Rain) written below it, indicating a rainwater collection or drainage system. The entire diagram is enclosed in a dashed rectangular border.

Encoche de 7mm

The diagram shows a cross-sectional profile of a mechanical part. It consists of a horizontal base line. From the left end of this base, a vertical line rises. At a certain point, a horizontal line segment extends to the right, creating a notch. This segment is labeled 'Encoche de 7mm'. After this notch, the profile continues as a vertical line that eventually meets the right end of the base line. The entire drawing is enclosed in a dashed rectangular border.
